FOLLOWING IN THE FOOTSTEPS OF THE SAINTS

April 2026

Our April Saint

St. Catherine of Siena (1347–1380) was an Italian mystic, philosopher, and Dominican tertiary who became one of the most influential spiritual leaders in the Catholic Church. Known for her visions and activism, she famously persuaded Pope Gregory XI to return the papacy to Rome from Avignon and was later named a Doctor of the Church.

Feast Day: April 29

Key Aspects of Her Life

Early Life & Vocation: Born in Siena, Italy, as the 24th of 25 children, Catherine experienced mystical visions from a young age and vowed her virginity to Christ at age six.

Dominican Tertiary: She joined the Sisters of Penitence of St. Dominic (Mantellate), living a life of intense prayer, fasting, and charity in her family home rather than a convent.

Political Activism & Influence: During a time of church corruption and political chaos, she mediated between city-states and corresponded with leaders across Europe, advocating for peace.

Papal Return: She is credited with playing a pivotal role in persuading Pope Gregory XI to return the papal seat from Avignon back to Rome, ending a ~70-year period of French influence.

Theology & Legacy: She authored *The Dialogue of Divine Providence*, a major mystical work. She was canonized in 1461 and declared a Doctor of the Church in 1970.

Death & Attributes: Catherine died at age 33 in Rome. She is often depicted with a heart, lily, and stigmata.

If **YOU** are *what you*
should be,
you will set THE
WHOLE WORLD ablaze!
